Sight-Unseen Purchase (by mail or phone)

If you are unable to attend the sale, we can help you select the bulls or females to fit your needs. Give us a phone call, letter, fax or e-mail (please refer to the back cover), and we can make arrangements to handle bidding according to your directions. Bulls are bought at the lowest price, and satisfaction is guaranteed on bulls purchased sight unseen. Many of our repeat customers buy their bulls this way.

To provide us adequate time to assist you, please contact us before noon of the day prior to the sale.

Free Delivery

We pay for delivery for all bulls, as well as for purchases of 5 or more heifers to one location, throughout the continental U.S. If you bring a trailer to haul your own, \$50 will be deducted from the price of each bull or heifer. Most of the sale cattle will be delivered from 1-3 weeks after the sale, although we will try to accommodate special needs. Although there occasionally are limitations, in most cases we can deliver the cattle directly to your ranch.

Payment

Payments can be made with cash, check payable to Beckton Stock Farm, Inc. or Visa/Mastercard on sale day.

B571 and P707 are the two premier sires in the Red Angus breed, offering the best of all traits for which our program is known. Semen is rare and not on the market. As noted on page 2, we are offering 10 straws of Nebula P707 semen with each of the first three lots, all own sons of P707.

We are also offering the following two semen packages applicable to any bull in the sale – one package for 10 straws of B571, and one package for 15 straws of P707 - as follows:

The purchaser of any Beckton bull in this sale will have the option to exchange the bull bought in the ring, for the same price, for the buyer's choice of one of these two packages. The buyer must notify the auctioneer before the next bull is sold that the buyer wants to take this semen option. The buyer should also specify which semen he is selecting to ensure that his choice of semen is reserved. The auctioneer will then re-auction the bull in the ring.

Note: We will also offer as an alternative 15 straws of BKT Ju-

lian 7526G, Reg#173525, sire of B571, one of the greatest sires ever at Beckton and one of the highest Stayability sires in the Red Angus breed. Note also that if the choice of semen is not specified in the ring, the buyer may choose later, but only from semen not taken by another buyer.

Option on Tongue River bulls:

There is one rare semen package available on TR Julian LT151, Reference Sire J-8, a top B571 son whose semen is no longer on the market. The buyer of any Tongue River bull in the sale has the option to take this semen package in the same manner as above, with the bull in the ring being re-auctioned. When this LT151 package is taken, no further semen option is available on TRRA bulls.
